

## Chartered Manager - The highest status achievable in Management.

Chartered Manager status is the hallmark of a true professional manager. It is considered to be the most prestigious accolade awarded in the managerial profession. CMI research shows that Chartered Managers deliver up to £391k of added value to their organisation and that these results are achieved across a wide variety of functions – people management, product development, exceeding commercial targets, improving operations and saving costs.

In addition, Chartered Managers are more confident, self-aware, are committed to ethical behaviour and use their Chartered status with pride as proof of their experience of leading people and managing change.

Chartered Managers have the following key qualities:

- **Qualification** – Degree Level management qualification; at least 3 years management experience
- **Competence** – Evidence of consistently effective performance
- **CMI Professional Code of Conduct** – committing to ethical behaviour
- **Maintaining Capability** – CPD plan and ongoing review inspected annually
- **Proof of Positive Impact in the Workplace**

As a registered Chartered Manager Assessment Centre, CMBD provides training, guidance and assessment for candidates wishing to achieve Chartered Manager via the Qualification route.

If you have the relevant experience and an appropriate management qualification (see criteria table), then you can achieve Chartered Manager status by writing an assignment detailing your experience, development and contribution to your organisation and by completing a short telephone interview with your assessor. One-on-one coaching support is also available to help candidates prepare for both the written assignment and the telephone interview if required.

Assessment costs £395.00 plus vat for the written assignment and telephone assessment. Full membership of CMI is also mandatory at £75.00 pa. Optional one-to-one coaching sessions at Hexgreave Hall cost £125.00 plus vat each. Please contact us for more information on [enquiries@cmbd.org.uk](mailto:enquiries@cmbd.org.uk)
